Front end Developer

Motivated Front-end developer with a background in Graphic design and Social communication. Looking to join an IT company and grow my technical skills.

My goal is to become a Front-end web developer, with a broad command of the relevant languages such as HTML, CSS and Javascript. In addition to being updated on the latest technologies and practices.

EDUCATION

Degree in **Social Communications** with Graphic orientation, UNC Córdoba. 2017

Front-end Developer (Educación IT) 2022. Courses:

Web design: HTML5 y CSS
Web design SASS y LESS
Javascript from start
Javascript Advanced Developer
Introduction to UX
Introduction to object paradigm

Git and GitHub for beginners (Todo code) 2022

Figma the basics (autodidact)

Wordpress, Elementor and other plugins (autodidact)

Web multimedial design (UTN FRBA) HTML and CSS basics

Others:

Digital Marketing (Fundación Movistar)

Graphic digital design (Instituto Mariano Moreno) and (Aguas de la Cañada)

EXPERIENCE

🌐 **Freelance web designer**

2019 - today (Argentina).

I designed several web sites based on Wordpress. I completed the design using Elementor and contact form plugins, SEO, connection to social networks, security plugins, filterable photo gallery, maps, etc. My knowledge of HTML and CSS allowed me to make small modifications when necessary.
